# Working Party

The four World Centres belong to the World Association of Girl Guides and Girl Scouts. Providing a warm, comfortable, friendly place to stay, each Centre is a "home away from home" for Girl Guides and Girl Scouts around the world, where they can feel part of a family of new and old friends. They provide the chance to learn about international aspects of the Movement whilst meeting people from different countries and cultures.

Our Chalet, one of the four world centers of the World Association of Girl Guides and Girl Scouts, has a programme for people who like to work and meet people from many different cultures, to explore Switzerland, and share their skills to the benefit of the center.

**A Working Party** is designed for groups who would like to come and stay at Our Chalet whilst working together on a group project. We welcome applicants from groups from all backgrounds as long as they have the same common goal: to work to benefit Our Chalet.

## **Applicant Criteria:**

- Is aged 18 or over,
- Enjoys meeting and mixing with lots of new people,
- Is practical and not afraid of hard work,
- Has a Scouting or Guiding ethos for life!
- ***Has a specific skill to share...***

## **What does a “working party” do?**

A working party is a very broad definition for a group working at Our Chalet for a short term basis. In the past groups have worked on many projects such as renovating rooms, creating new campsites and maintaining the grounds. Working parties normally occur during Summer or Spring. Projects and time frames for working parties as well as the benefits we can offer are negotiated on an individual basis after the application form is received! A working party is a great way to get an economical trip for your group whilst enjoying the amazing surrounds of Switzerland and working to benefit a great camp!
